Docket No. 2004-442

CENTRAL MAINE POWER COMPANY  
Request for Approval of a Special Rate  
Contract with Presumpscot Freemac, Inc.,  
D/B/A Sigco

ORDER APPROVING  
CONTRACT

**SUMMARY OF DECISION**

By this Order, the Commission approves Central Maine Power Company's (CMP's) proposed customer service agreement (CSA) with Presumpscot Freemac, Inc., D/B/A Sigco (Presumpscot).

**DISCUSSION AND DECISION**

On July 6, 2004, CMP filed with this Commission a proposed CSA with Presumpscot. This contract does not comply with all conditions of Attachment 6 of the ARP 2000.<sup>1</sup> Pursuant to Attachment 6, contracts with terms no more than one year beyond the term of the ARP, that are not anti-competitive or unduly discriminatory, that provide annual, usage-sensitive revenues in excess of annual, usage-sensitive marginal costs, and that provide total revenues in excess of the Company's total marginal cost floors plus an adder over the term of the contract, go into effect automatically 30 days after they are filed. However, while the revenues from this contract are greater than the marginal cost floors plus an adder over the term of the contract, the usage-sensitive revenues are not greater than the usage-sensitive marginal costs on an annual basis. Therefore, in order to become effective, this CSA requires Commission review and approval.

We have reviewed the contract and find that the revenue loss (relative to retail rates) associated with this discount contract is not large enough to present significant risk to CMP's other customers. Therefore, we will allow the CSA to go into effect.

Accordingly, we
